Bible Verse for April

As we face spring, along with it come some showers.

Job 29:23

New Living Translation

They longed for me to speak as people long for rain. They drank my words like a refreshing spring rain.

Everyone enjoys our Birthday Parties!! We celebrated April and Dave's birthdays with Pineapple Upside Down Cake and Chocolate Pudding Cakes.

April 2024

Muletown Pottery came and helped the residents paint some Easter decorations. This is always a fun day.

Everyone is busy painting. These turned out adorable. So proud of our residents at Poplar Estates.

Mule Day Queen and Court Come to Poplar Estates Assisted Living

Picture of Mule Day painted by one of our residents, Phyllis Lowe

Well, it is April and time to celebrate Mule Day on April 6th. This is a very busy time for Columbia, TN and we are so thankful that the Mule Queen and her Court came and spent some time with us at Poplar Estates. This year, Anissa Grimes is the Mule Day Queen. Her Court is Kennedy Bragg 1st RU, Graciee English 2nd RU, Shae Klamert 3rd RU and Ava Sykes 4th RU. These young ladies worked very hard to win their place as Mule Queen and supportive Court. We want to thank them for taking the time to come and visit with our residents and bring them some treats. Fun was had by our residents.

Spring Is Right Around the Corner

Our residents had a little fun today potting some flowers. We have been talking about spring and how we are always excited about the freshness of spring. Some of the residents gathered to plant some spring flowers for their room. This will bring a little spring to each of them. We also planted some flowers in our planters by our front door. The days are getting warmer and the sunshine feels so great. We are taking walks whenever weather permits. We will soon be planting our garden. Our residents love to help with this and then watch it grow. Happy Spring everyone, from Poplar Estates.
